A treatise is a formal and systematic written discourse on some subject, generally longer and treating it in greater depth than an essay, and more concerned with investigating or exposing the principles of the subject.

### **Treatise - Wikipedia**

A *Treatise of Human Nature* (1738–40) is a book by Scottish philosopher David Hume, considered by many to be Hume's most important work and one of the most influential works in the history of philosophy. The *Treatise* is a classic statement of philosophical empiricism, skepticism, and naturalism.
