appalachian trail guide to pdf

Hikers using this guide know where they are on the trail, what views, streams and campsites are ahead, and whether they'll be hiking uphill or downhill to get there. The A.T. Guide answers all of your questions about how to get rides, where to stay, and where to get supplies. There are 93 maps of towns on or near the trail showing where to find these services and detailed listings for businesses. The A.T. Guide is the most innovative trail guidebook ever developed.
