

### **automatic data processing principles pdf**

Electronic data processing (EDP) can refer to the use of automated methods to process commercial data. Typically, this uses relatively simple, repetitive activities to process large volumes of similar information.

### **Electronic data processing - Wikipedia**

The Data Protection Directive (officially Directive 95/46/EC on the protection of individuals with regard to the processing of personal data (PII (US)) and on the free movement of such data) was a European Union directive adopted in 1995 which regulates the processing of personal data within the European Union.
