Molecular and Cellular Biochemistry: An International Journal for Chemical Biology in Health and Disease publishes original research papers and short communications in all areas of the biochemical sciences, emphasizing novel findings relevant to the biochemical basis of cellular function and disease

Molecular and Cellular Biochemistry - Springer

Proceedings of the Tenth International Symposium of the Canadian Society of Biochemistry and Molecular & Cellular Biology / Actes du dixième symposium internationale de la Société Canadienne de Biochimie et de Biologie Moléculaire et Cellulaire

Biochemistry and Cell Biology: Volume 78, Number 5

The Biochemistry & Cell Biology graduate program faculty members are committed to training and mentoring graduate students to reach their full potential as scientists. We seek to facilitate students' progression towards fulfilling and exciting careers in academia, industry, or government, and to develop their skills as future leaders in science and society.
